Colour:
Rich intense red
purple over a
dark core

Nose:
A mixed box of
Red Fruit,
Spices and
liquorice

Palate:
Tight firm yet
generous palate
weight. Assertive
but velvety
tannins relax
then allow the
generous red
fruits slip out
and coat the
tongue seductively.
The mouth is filled
from top to
bottom, front to
back in an
assertive but
not aggressive
display of three
point balance
between the
spice fruit and
gentle oak
treatment. The
tannins and firm
acid cleanse and
allow the wine
to linger for an
intensely enjoyable
long time.

WEAK MEN! There's No Help For You!

The weak men who drink Smoking Jim Slaughterhouse Merlot for a few weeks are very unlikely to feel the joys of youthful fire and courage in their veins; the strength which they lost in earlier days will most probably not come back to them and those come and go pains in their backs are definitely not driven out forever. When Slaughterhouse Merlot is drunk there is no enhanced vigour nor youthful ambitions although sometimes a light heart or freedom from worry and care may incidentally result. If you have lost your vitality, no matter how it is exceedingly unlikely Jim will get it back or help you to feel young, look young, set young; Jim will in no way give you back your strength!

David Franz

"Dear Smoking Jim: I think it is my duty to give your Merlot all the praise for what it has done for me. It is five weeks since I first drank your Slaughterhouse Merlot, and I could not work before I got it, and since then I have never lost a day or an hour. I was always doctoring before I got your Slaughterhouse Merlot and I would not now part with it at any price. I originally paid if I could not get another. If you can do anything with this testimony you are at liberty to do so. I remain yours truly: Dave Lehmann .csq"

To those who are tired of paying without results and to those who doubt that anything will help them Smoking Jim makes this promise: If you are less than 100% satisfied with the 2009 Smoking Jim Slaughterhouse Merlot you better take a good hard look at yourself...
